RII30820 Certificate III in Civil Construction Plant Operations

Course Overview

To achieve RII30820 Certificate III in Civil Construction Plant Operations, a total of 20 units of competency must be completed, comprising of 15 core units and 5 elective units. Units are dependent on the packaging rules of the qualification, and electives chosen may vary based on the learner's job role, and employer or industry requirements. The trainer will assist in selecting the most appropriate units of competency to study based on the learner's desired outcome. This course will take between 12-24 months depending on the learner and their individual circumstances (up to 36 months if undertaken as a Apprenticeship). Training is available in a variety of locations and can vary depending on the delivery mode selected. Our RAPAD Skilling trainers travel to the seven RAPAD council regions of Longreach, Winton, Barcaldine, Blackall-Tambo, Boulia, Diamantina, Barcoo and beyond.

Core Units
